BETTER TOGETHER

Farm Day

Saturday October 26, 2019

Join us in supporting Sanctuary One's Farm Day, an annual fun-filled day at the farm. Guests get to explore the property, meet the animals, visit our gift shop and enjoy the farm with us.

We have face painting, wool making, fire and food trucks, Smoky the Bear, and more!

With our sponsors we are able to provide this event free to the public!

With 55 acres and over seventy animals, it takes a lot of work to keep our care farm running! With your support we can care for our rescue animals, help at-risk youth, and provide produce to food banks.

About Sanctuary One

Sanctuary One is a care farm dedicated to rescuing domestic and farm animals, facilitating health and wellness for people, and promoting environmental stewardship. We believe that a farm can do more than grow food for people's bellies; it can heal our bodies and lift our spirits, too, if we work together with animals and the earth for mutual healing.

At Sanctuary One, people of all ages have the opportunity to volunteer on a real working farm and experience nature's healing power firsthand. We offer educational tours that open people's hearts and minds.

We invite groups from schools and youth-serving nonprofit organizations to visit the farm for fresh air, exercise and hands-on service-learning. We help teens who are in legal trouble learn how to make better choices. We mentor interns who dream of becoming the next generation of care farmers. We donate to local food banks. We promote the ethics of mindful, sustainable living. And we provide a safe, loving home to rescued farm animals and pets.

When you give to Sanctuary One, you support more than just a care farm - You support an **ENTIRE** community
