People, Animals & the Earth: Better Together

Volunteer Week

April 18-24, 2021

We are excited to begin planning our fifth annual Volunteer Week, with new safety protocols ensuring a socially distanced and safe outdoor experience for volunteers and the community. Volunteer teams will once again join the care farm for fun hands-on projects in gardens, in the farmhouse, or with rescued cats and dogs. From fence mending, to animal grooming, to gardening or mucking, your team can help animals and people while enjoying collaborative time outdoors. Our scenic 55 acre property allows for plenty of distance between volunteers in an outdoor setting, allowing for a safe and fulfilling team experience!

Through service, we come together to tackle tough challenges, create change, and build stronger, more vibrant communities. Our motto is People, Animals, and the Earth: Better Together. Through our myriad of volunteers and folks who join us for service learning projects, we know that service unites people of all walks of life. We celebrate our generous Rogue Valley neighbors for working together to create and sustain Sanctuary One and this amazing community.

We encourage volunteer teams to join us for one, or more days, of the week of April 18-24. We will have major projects to tackle on the farm each day from 10-2:30. Teams will be scheduled at distanced locations, and all teams are required to wear masks for the duration of the event. In helping Sanctuary One, you will not only help rescued animals who are preparing for their forever homes, you will be helping a multitude of other nonprofits Sanctuary One serves, like veteran's groups, children's groups, and all the amazing people the care farm offers healing.

Join us for lunch, get an event t-shirt, and make a difference in your community, while you build meaningful lasting memories with your team!

PEOPLE ANIMALS & THE EARTH

What type of
projects can we
help with?

Building toys for our
animals
Animal grooming
Animal socialization
and playing
Fence mending
General Cleaning
Gardening
Shoveling
Mucking
Hauling
and more!

BETTER TOGETHER

Sanctuary One is a nonprofit care farm dedicated to rescuing domestic and farm animals, facilitating health and wellness for people, all while promoting environmental stewardship. We believe that a farm can do more than just grow food for people's bellies. When we work together with animals and the earth for mutual healing, it can heal our bodies and lift our spirits.

At Sanctuary One, people of all ages have the opportunity to volunteer on a real working farm and experience nature's healing power firsthand. In addition to rescuing animals in need, we offer educational tours that open people's hearts and minds. We invite groups from schools and youth-serving nonprofit organizations to visit the farm for outdoor exercise and hands-on service-learning. We help teens who are in legal trouble learn how to make better choices. We mentor interns who dream of becoming the next generation of care farmers. We promote the ethics of mindful, sustainable living. All while we provide a safe, loving home to rescued farm animals and pets.

When you give to Sanctuary One, you support more than just the care farm...

You support an ENTIRE community

Sanctuary One works with local animal shelters and rescues to help animals in need. The care farm hosts field trips & service-learning partners for people to visit for healing time with animals and gardens that grow organic produce for ACCESS food bank. With your investment of time or sponsorship YOU become a part of these reciprocal healing relationships.
