➤ Introduction

Sanctuary One at Double Oak Farm is the first care farm in Southern Oregon. We believe that a farm can do more than grow food for people's bellies; it can heal our bodies and lift our spirits too, if we work together with animals and the earth for mutual healing.

Located on 55 scenic acres alongside the Applegate River in the Upper Applegate Valley, our care farm has a large irrigated pasture, a lovingly restored historic barn, and plenty of spacious animal habitats.

We are dedicated to rescuing domestic and farm animals, facilitating health and wellness for people, all while promoting environmental stewardship. When we work together with animals and the earth for mutual healing, it can heal our bodies and lift our spirits.

Sanctuary One is rooted in mutual healing of people and animals, and it is more important than ever that we prioritize mental health, healing, and connection.

In 2023 we served over 1,500 people at the care farm, and we adopted 101 animals to their forever homes. We also donated 1,300 pounds of fresh produce to local food banks from our Healing & Learning Garden.

When you support Sanctuary One you're supporting dozens of local agencies serving youth, adults, and animals in the Rogue Valley. We served 30+ agencies through our people, animals, and Earth works.
