

A large group of diverse people, mostly young adults, are gathered in a grassy field. Many of them have their hands raised in the air, waving or cheering. They are wearing casual clothing like t-shirts, hoodies, and hats. In the background, there are rolling green hills and a line of evergreen trees under a cloudy sky. A small red wooden building is visible on the right side of the background.

Volunteer Week

April 7-13, 2019

We're excited to already be planning our third annual Volunteer Week. While we always have volunteer opportunities throughout the year (over 2000 hours served in 2017 alone!), we feel that partnering with Points of Light allows us the opportunity to highlight and celebrate the amazing community Sanctuary One is a part of in the Rogue Valley.

National Volunteer Week is an opportunity to celebrate the impact of volunteering on our communities, and to demonstrate that #ServiceUnites. Through service, we come together to tackle tough challenges, create change, and build stronger, more vibrant communities. Our motto is People, Animals, and the Earth: Better Together. Through our myriad of volunteers and service learning folks, we know that service unites people, of all walks of life. We celebrate our generous Rogue Valley neighbors in all that they've done together to create and sustain Sanctuary One.

With 55 acres and over sixty animals, it takes a lot of work to keep our care farm running! We need you!

We encourage volunteer teams to join us one, or more days, for the week of April 7-13. We will have major projects to tackle on the farm each day from 10-2:30, with lunch served. In helping Sanctuary One, you not only help animals we've rescued and are preparing for their forever homes, you're helping a multitude of other nonprofits Sanctuary One serves, like veteran groups, children's groups, and more.

Join us for lunch, get an event t-shirt, make a difference in our community, and build meaningful memories with your team!

PEOPLE

ANIMALS

What type of projects are
there?

Fence mending

Cleaning

Garden work

Building toys for our
animals

Animal grooming,
socialization, and playing

Managing blackberry
bramble

Shoveling, mucking,
hauling, and more!

About Sanctuary One

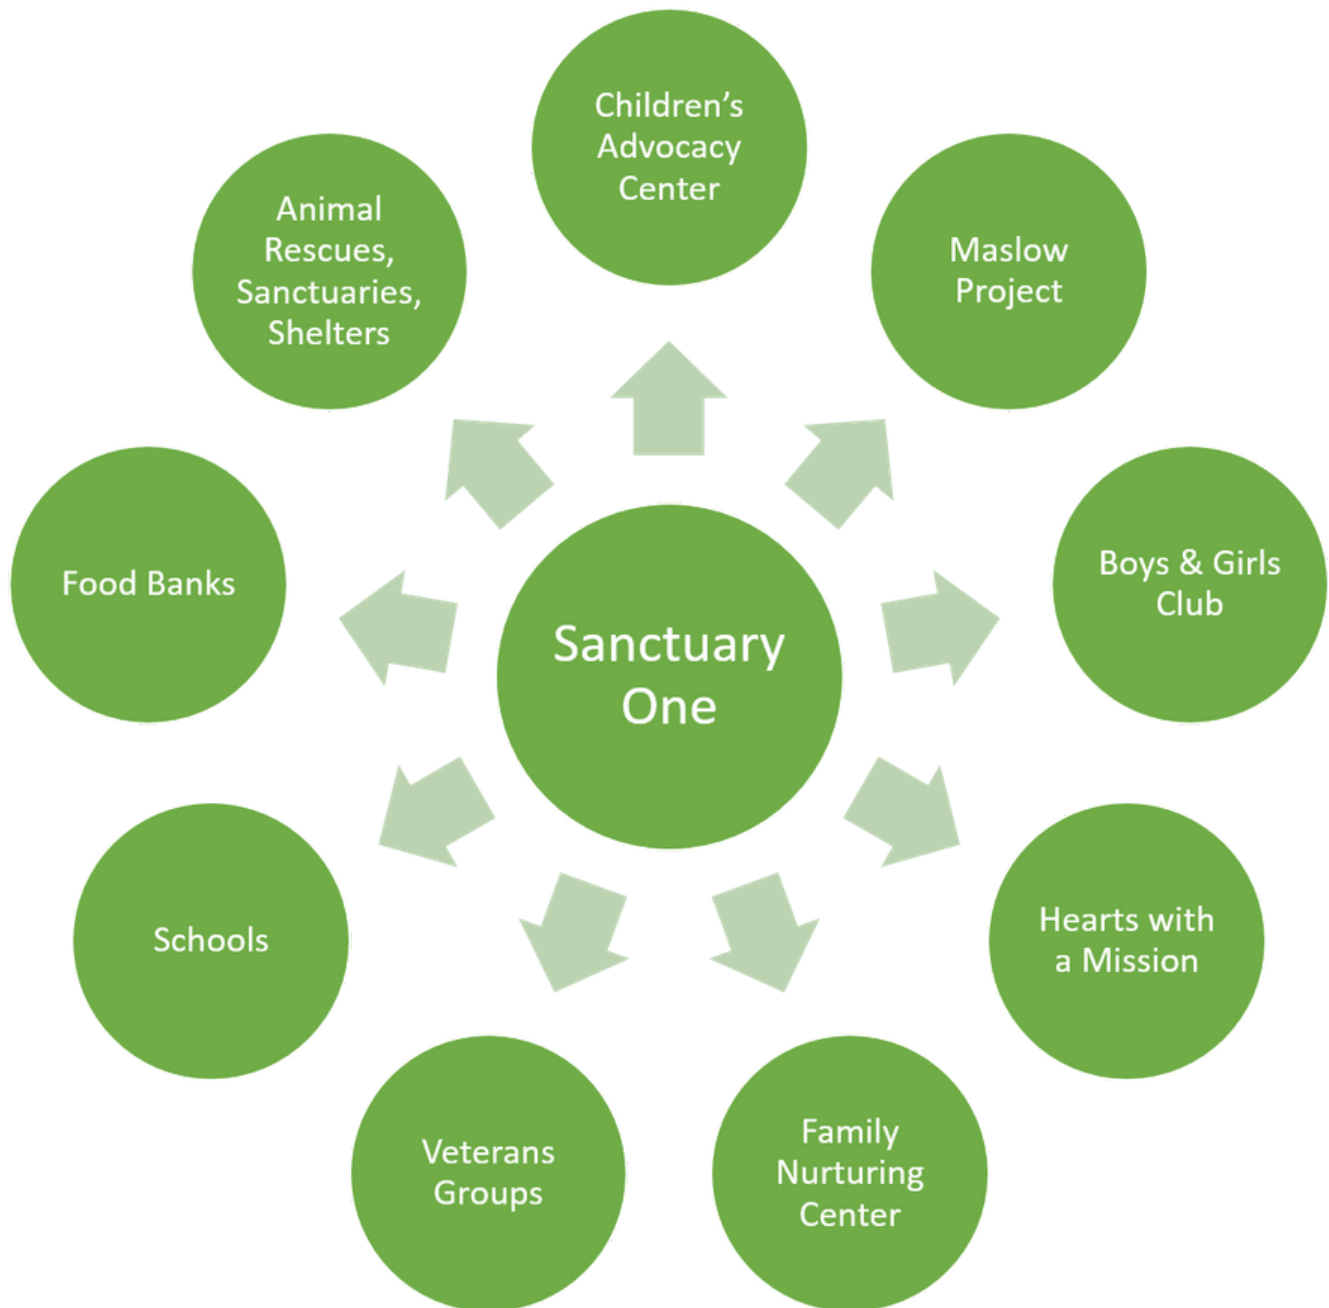

Sanctuary One is a care farm dedicated to rescuing domestic and farm animals, facilitating health and wellness for people, and promoting environmental stewardship. We believe that a farm can do more than grow food for people's bellies; it can heal our bodies and lift our spirits, too, if we work together with animals and the earth for mutual healing.

At Sanctuary One, people of all ages have the opportunity to volunteer on a real working farm and experience nature's healing power firsthand. We offer educational tours that open people's hearts and minds. We invite groups from schools and youth-serving nonprofit organizations to visit the farm for fresh air, exercise and hands-on service-learning. We help teens who are in legal trouble learn how to make better choices. We mentor interns who dream of becoming the next generation of care farmers. We promote the ethics of mindful, sustainable living. And we provide a safe, loving home to rescued farm animals and pets.

About Points of Light

Points of Light's mission is to inspire, equip and mobilize people to take action that changes the world. We envision a world in which everyone has discovered their power to make a difference, creating healthy communities in vibrant, participatory societies. National Volunteer Week, created by Points of Light, is about inspiring, recognizing and encouraging people to seek out imaginative ways to engage in their communities.

When you give to Sanctuary One, you support more than just a care farm - You support an **ENTIRE** community
