

SUPPORT SANCTUARY ONE
DOG AND CATS

SHOW THEM THE LOVE

Who is YOUR best friend?
Dogs? Cats?

We invite businesses to join us May 13- June 3 in showering our cats and dogs with love by donating food.

Show your love by teaming up (or dividing) your office mates as cat lovers and dog lovers for a pet food drive to determine which furry friend wins the title of "Best Friend."

Love cats more? Donate Friskies pate!

Love dogs more? Donate Kirkland brand, Nature's Recipe, or American Journey dry dog food!

How does it work?

Each week Sanctuary One will contact all participating businesses to collect a running tab on who is triumphing – cats or dogs. All businesses will be featured in our weekly update on our website and social media channels.

Tallies will be measured by ounces of canned cat food (Friskies pate cans) and dog dry food pounds (Kirkland brand, Nature's Recipe, or American Journey dry dog food). Each week Sanctuary One will ask for an update on the amount raised by each participating business.

On June 3, Sanctuary One will calculate the final tally and announce the winner and runner up.

While delivery of the donations is welcome after June 3, Sanctuary One can work with each business on possible pick up with our own staff and volunteers during that week.

Want to go the extra mile?

Share ways you support your best friends. Share weekly tips and tricks or something in your social postings (along with hashtags so Sanctuary One can repost!).

Consider providing a special offer to any clients participating or bringing food into your business.

Share photo of your team with their best furry friend and event hashtags on your social media.
